

Join U.S. Senator Al Franken's Staff In a Discussion of the 2012 Farm Bill

As the U.S. Senate begins work on the 2012 Farm Bill, Key members of Senator Al Franken's staff will hold a ***Farm Bill Outreach Tour*** in communities across Minnesota to update the farmers, ranchers and agriculture officials on the status of the Farm Bill and to hear their concerns. Senator Franken will use the input he receives from these meetings during the upcoming Senate debate to ensure Minnesota's interests are reflected in the bill. **The meetings will be led by Senator Franken's Minnesota Agriculture Advisor Al Juhnke. They are free and open to the public.**
